Register for Program Housing

If you indicated that you would like program housing on your enrollment form, you need to follow the instructions on this document. Please be sure to submit your contract and payment by June 30th.

If you requested Program Housing and no longer plan to live on campus, please let us know immediately so we can update our records.

Accept & Finalize Summer Aid

For those who have applied for summer Financial Aid, you will need to return to your “My Summer Aid Application” and follow the instructions to finalize the Summer Financial Aid award(s) you intend to utilize. Click “My Aid Award” and accept your financial aid award(s).

If you don’t finalize your aid, you risk not having your Summer Session fees covered and being dropped from your courses. Students will be contacted by a representative from our office and instructed to follow the instructions on the UCI Financial Aid website. Any changes in enrollment, including dropping units or changing sessions, may result in the student being billed for funds received. For information on applying for summer financial aid and the types of aid available, visit www.ofas.uci.edu/summer.

Activate your UCInetID

To activate your UCInetID, you will need your 8-digit UCI student ID number, which is located in your UCI Admissions information and on the bottom of your UCI Summer Session Schedule/Statement. Take careful note of the password you select as you will be using your UCInetID and password throughout your academic career at UCI.
**Access your UCI Gmail Account**

Once you have activated your UCInetID, you may log-in to your UCI Gmail Account. Learn how to set up your account. Expect to receive e-mails and notifications from UCI, including your course instructor(s), at this e-mail.

---

**Health Insurance: Get Covered**

Your enrollment in Transfer Edge does NOT include medical or other types of insurance. However, you are welcome to enroll in a Voluntary Student Health Insurance Plan (USHIP) during the summer and this is strongly recommended if you will not be covered by major medical insurance.

To do so, fill out and submit the proper Medical Insurance form listed below. Payment options include credit card or personal check from a U.S. banking branch. You can find more information on the Student Health Center Website.*

Medical Insurance:  [Session I](#) | [Session II](#) | [Full Summer](#)

As part of your enrollment materials, you signed a Waiver of Liability indicating that The Regents of the University of California are not liable for claims of personal injury, accidents or illnesses.

*Voluntary insurance in the summer is completely separate from any arrangements you may have made for the fall.

---

**Prepare for Check-in Activities**

Housing move-in (if applicable) will take place on **Sunday, June 25** (Session I and Full Summer) or on **Sunday, August 6** (Session II and International). If you cannot attend, please let us know at summer-transfer@uci.edu.

As we draw closer to the summer, detailed information regarding program check-in and housing move-in will be provided. Continue to regularly check your email regularly for updates.
Read the Welcome Guide (pdf here)

We recommend that you bookmark/save the Welcome Guide to your internet “Favorites” and read it in detail. You will reference it multiple times now through the end of the program. The Welcome Guide contains information that will support your transition to UCI, including important dates, academic policies and expectations, the Transfer Edge Mentors, and resource centers on campus. For the most up-to-date information on all events, including event descriptions and locations, refer to our Events Calendar.

Consider Course Books, Parking Permits, and Meal Plans

After receiving a copy of your Summer Session Schedule in the mail, you may purchase course books and school supplies at The Hill (UCI’s bookstore). To search for and/or purchase your course books visit The Hill’s online course search. Click ‘Course Materials’ and then ‘Books Listed by Course.’ Even if you do not wish to order, you may use this link to view the course books required for your courses. Note, some instructors may not require a book or may not have registered with the bookstore. Course book information may also be found in your course syllabus, which may be posted by your instructor on UCI EEE. Summer course book information is typically made available to students in June.

If you plan to bring a car to campus, you will need a parking permit to park at UCI. Please note there are no suitable nearby other options for parking, and personnel in nearby areas routinely ticket cars. Students who only plan to bring a car to program check-in on August 5 should purchase a single day-pass. Visit the Transportation & Distribution Services website for more information on parking permits.

Students can purchase a Summer Meal Plan from UCI Hospitality and Dining. We recommend all residential students purchase a meal plan for the summer. You have multiple options, ranging from set numbers of meals to FlexDine dollars, which can be redeemed at different campus
We have created a Facebook Group specifically for the participants in this year's Transfer Edge Program. This is a great way to communicate with other students and mentors, to ask academic questions or to plan a get together. You can join the group here.

Join our Facebook Group

We have a wonderful team of Transfer Edge Mentors who are trained specifically to help YOU. If you have questions and would like a student's opinion, ask one of them. Our Mentors have taken Summer Session courses and many have taken part in Transfer Edge. They are all eager to provide you with a student perspective.

Meet the Mentors

With all the excitement of preparing for Transfer Edge, it can be easy to forget about important tasks for Fall. Please be sure to make all of your Fall 2017 arrangements. These include, but are not limited to: Fall housing, medical insurance, orientation, placement tests, and financial aid.

Keep track of UCI deadlines
