This waiver is to certify that I, the above named student, am waiving coverage of the health insurance plan offered to me by the University of California, Irvine, University Extension Program in Summer Session (UCI UNEX), for coverage during the above-specified program dates. In addition, because I am waiving the UCI UNEX health insurance, I am guaranteeing that I will instead be covered by an independent health insurance plan which I will arrange myself. This independent health insurance plan meets the following minimum required coverages.

- \$500,000 Maximum benefit per Policy Year
- \$25,000 Minimum coverage for Evacuation Expenses to your home country if necessary
- \$10,000 Minimum coverage for Repatriation of Remains to your home country in case of death
- The deductible does not exceed \$75.00 per injury/illness

I understand that during my program of study, adequate health insurance coverage, as defined by the minimum coverages above, is required by UCI UNEX.
