Petition for Enrollment

The Public Health Program in Bali consists of two academic courses: Public Health 100: International Public Health Practices, and Public Health 121: Introduction to Complementary and Alternative Medicine. UCI students who have already completed Public Health 121, or who have a compelling reason, may petition to enroll in only Public Health 100, and may also petition to complete their Public Health Practicum hours in Bali (100 hours; enrollment in Pub Hlth 100 and Pub Hlth 197 (2-units) are required with practicum). Students who have graduated from college should petition to enroll in the program.
